Wixon Welcomes AnnMarie Kraszewski as Food Technologist

ST. FRANCIS, Wis. – AnnMarie Kraszewski has been hired for the position of Food Technologist for Wixon, a manufacturer of seasonings, flavors, ingredients, and consumer products for the food and beverage industry.

Kraszewski's responsibilities include developing new product formulations and supporting customers in Wixon's Industrial Ingredients group, with a focus on snacks. She previously served as a Food Scientist for Kerry Ingredients & Flavours and received her Bachelor of Science degree in Biological Science from Marquette University in 2001. Kraszewski is a member of the Wisconsin section of the Institute of Food Technologists (IFT).

"We are excited to add AnnMarie to our team of seasoned technologists and chemists and look forward to her creation of innovative seasoning and flavor system solutions to meet our customers' snack food challenges," says Mariano Gascon, Wixon's Vice President of Research & Development.

A native of Golden Valley, Minn., she resides in Milwaukee with her husband and their two children.

- More -

Founded in 1907, Wixon is a fully integrated food and beverage ingredient leader providing flavor technologies, custom-ground spices, blended seasonings, protein expertise, foodservice and menu solutions, and consumer products and packaging. Wixon's brand promise of Service Driven Culinary Science gives customers the added benefit of food technology enhanced by the creativity of culinary arts. With its advanced scientific and culinary capabilities combined with a passion for service, Wixon drives innovation and provides solutions for its customers. Besides custom flavor formulations, Wixon offers R&D, product development, packaging options, inventory management, and just-in-time delivery. Located in St. Francis, Wis., a suburb of Milwaukee, Wixon is ISO9001 certified and QAI Organic Certified. More information on Wixon or any of its products may be obtained at www.wixon.com or by calling (414) 769-3000.
