Salads will take the spotlight with Wixon's salad dressings. A leader in innovation, Wixon develops almost 1,000 new flavor systems and seasonings every year, and we want your business to benefit from all that flavor! Choose from our extensive list of seasonings, or work with us to customize your own—you're guaranteed a delicious way to dress up vegetables that will make them the highlight of any meal. And because we follow FDA and ASTA guidelines and have accreditations with AIB and ISO, you can rest assured that every product is of the absolute best quality.
