## **Wixon's Newest Topical Seasonings Create Sweet & Salty Snacks**

Editor's Note:

Please scroll down to access high-res images of the seasonings. We welcome your use.

ST. FRANCIS, Wis. – Wixon has introduced its latest, innovative offerings for snacks. The on-trend topical seasonings and coatings can inspire new tastes or simply reinvigorate old classics.

The new products include:

### **Bulgogi**

Use this seasoning to craft tastes of the classic Korean BBQ beef dish. A blend of peppers, sugar, molasses, onion, garlic, soy sauce, and ginger makes it savory.

### **Maple Ale**

Get a taste of beer, enhanced by maple and brown sugars and natural beer and maple flavors.

### **Matcha Coconut**

This lightly-sweet and tangy topping contains toasted coconut, sugar, lemon, and matcha tea.

### **Spicy Thai Lemongrass**

Give snacks a fresh flavor with this coating, featuring pepper, garlic, onion, sugar, ginger, and turmeric.

For more than 100 years, Wixon has been a trusted provider of flavors, seasonings, and

technologies for food and beverage manufacturers. With its scientific and culinary capabilities combined with a passion for service, Wixon drives innovation and solutions for its customers. Wixon focuses on its core areas of expertise: Industrial Ingredients, including Foodservice; Consumer Products; and Protein. Customers are encouraged to tap into a portfolio of services, including R&D, custom formulation development, turnkey solutions, and menu ideation. Wixon ingredients are globally-sourced and go beyond FDA standards to ensure quality and cleanliness. The company also offers spice grinding, blending, and a complete line of package engineering options. Located in St. Francis, Wis., a suburb of Milwaukee, Wixon is GFSI Certified to FSSC 22000, ISO9001 Certified, and QAI Organic Certified. More information on Wixon or any of its products may be obtained at [www.wixon.com](http://www.wixon.com) or by calling (414) 769-3000.
